

QUARTERLY UPDATE

April 2016

To All Prayer and Ministry Partners:

Our Mission:

To introduce and promote The Reconnection in The One New Man both near and far, until it is fully received and moved into by the Church and Messianic bodies.

We are making some wonderful progress in moving The Reconnection to the next level.

Recon Warriors Intercession:

As we have discussed many of the obstacles and barriers in the Church and Messianic bodies to The Reconnection need to be addressed through prayer first, which has now become our number one priority and focus. To move and equip the body into more of a pure type of Intercessory focus that will help the Holy Spirit get the job done.

We are responding to this in two ways:

Firstly, for our own immediate ministry with Messiah's House and Reconnecting Ministries in our local area. We have established a new prayer meeting for the Reconnection, called "*Recon Warriors*", which is held in Bethel, CT. We have gathered mature Intercessors from multiple churches in lower Connecticut and Westchester, NY areas and are meeting monthly to wait on the Holy Spirit and to be guided into this fray.

Before we began in January, we met several times for preparations. Theologically to increase our understanding and insight on all issues tied into *The Reconnection*, but also to better prepare us to move more effectively with the Holy Spirit with this new type of Intercessory focus. Both are necessary and both are proving their weight as we seek to be guided more effectively by G-d to achieve His heart and purposes for His family between Jew and Gentile in The One New Man. The meetings have been truly wonderful and the first time we met, the Holy Spirit led us to wash each other's feet to consecrate us for His purposes.

PLEASE PRAY:

For the L-rd to bless and lead this group into all He has for The Reconnection in the Metro NY and CT areas.

Secondly, to teach this new Intercessory focus through *The Reconnection*, and to raise up other groups all over the country to do the same. There is a strong territorial sense with this new Intercessory focus that the Church must take back the land where it is and deal with the strongholds that are preventing this from taking place. And it all starts with Israel, and our spiritual connection and relationship with them, but it is not exclusive towards them either, as this end time focus that reveals this mystery is not just about Israel, but also the fullness of the harvest of souls upon the earth.

PLEASE PRAY:

For the right doors to open through Church and Messianic groups to preach this message.

Israel Prayer Tour 2017:

Hali and I travelled to Israel in January on a familiarization tour with some of our Anglican brethren (the CMJ), who were just wonderful. We were trained to lead other groups back to the land and next year we are planning our first couple of trips, to lead Intercessory missions into Israel to pray for Israel and the Nations. If you are interested in one of our prayer missions, please respond to the Questionnaire we just sent out.

PLEASE PRAY:

For the right people to be drawn to these prayer missions for His purposes.

New Book on The Reconnection:

Grant is writing a new book with his messianic apostle, Dr. Daniel Juster. This book is being written to blow the shofar and sound the alarm on *The Reconnection*. Nearly all books written on this topic so far, have been written to wave this flag and message of reconnection to get the Church to try to see it. This book has a different focus, which is to help the body of Messiah/Christ move into *The Reconnection* and how to adapt towards it.

PLEASE PRAY:

For continued insight and clarity to bring this message forth with spiritual protection while writing it.

Charisma Magazine:

Our articles in Charisma are gaining exposure and one of them was circulated on Blaze.com, which is Glenn Beck's ministry. The link is below:

PLEASE PRAY:

For the Articles to increase in exposure throughout the Church and Messianic bodies.

Messiah's House:

We have some wonderful meetings planned this Spring: Our first evangelism seminar and our Passover Celebration gathering many local churches from the area.

PLEASE PRAY:

For more local leaders to catch the Messiah's Ministry vision to support it and to open their pulpits to The Reconnection.

Hali Berry:

Finally and most importantly my beautiful wife has joined me full time in our ministry efforts. Yeah! As many of you already know, Hali is like a people magnet who she attracts wherever we go. For now she will assist the ministry with many of our administrative duties, as well as all PR and social media.

PLEASE PRAY:

For Hali to adjust fully to ministry life. She likes to be referred to as the Ministress, ha! And for the necessary increase in funds for us this year. We are praying for 7 new Church groups to support us from their missions budgets and for 20 new monthly partners to help meet our yearly budget. Would you pray for us please.

We are not a church or congregation, so we do not operate from a tithe, but rather from gifts and offerings and no amount is too small. Whatever you can give is greatly needed for us to fulfill this call and it will be truly appreciated. To Donate and/or become one of our ministry partners please click on the link below and you will receive our special reconnecting key medallion necklace, which is becoming a very popular reconnection emblem.

Grant & Hali Berry
