

February Note from Grant&Hali 2022

Dearest Ministry Partners,

May His love empower us to live out and demonstrate the Father's Love for Yeshua/Jesus, their love for one another, their love for us, our love for God, and our love for one another.

On the Road

As we write this note, we are heading North from a month on the road in Florida and North Carolina. Beloved, this is a new day, and especially for *The R911 Project* message, it is the time now for it to come forth in the Body. Without us getting into too much detail, we have been connecting to leadership in various streams of the Ekklesia/Church, inviting them to engage in *The R911 Project* teachings. We are in the process of editing a couple of our messages and will have them ready for you for next month to listen to and watch.

The R911 Project

We have also been connecting with a good number of groups engaging in the video series and just recently met with the first group who just finished both parts of the teachings. The testimonies were incredible, powerful, and extremely encouraging—such wonderful fruit came out of the video project, transforming hearts into this Restoration and Reformation. Please click on the link here to watch these testimonies. Special thanks to Jong Kim from IHOP KC for hosting and Dr. Susan Sevensky, who sponsored the event. We are preparing these testimonies to view for next month.

Media Platform

We are still in the process of finishing our media platform. The Webinar is going really well, and we just added Spanish interpretation. Charisma Magazine is promoting the monthly Webinar, and in March, we launch *The R911 Project* Podcast series through them. The podcast will include a 15–20-minute study on *The Reconnection* message using the main *R911* book and leadership interviews and discussions about the Church and Messianic bodies coming together and moving into this Restoration the family.

February Travels

Please pray for us as we fly out to Kansas City for our 10 Days leadership retreat. We will be seeking the Lord together for fresh direction as the Lord continues to expand this ministry focus in the Ekklesia/Church. We will also be connecting with IHOP KC during our visit and visiting Kingdom Living Messianic fellowship.

Thank you so much for your prayers and support; we couldn't do this without you. Please click [here](#) for our monthly Prayer Links.

Lots of love in Yeshua,
And for His Glory,

Grant&Hali
