

January Note from Grant&Hali 2022

Beloved,

A blessed New Year to you all. May this year *strengthen* His body and cause us to *arise* like never before.

A Word of Encouragement for 5782/2022 From Grant

I hear the words, “Refiners Fire.”

“*The crucible for silver and the furnace for gold, but the Lord tests the heart*” (Prov.17:3).

“*These have come so that the proven genuineness of your faith—of greater worth than gold, which perishes even though refined by fire—may result in praise, glory and honor when Yeshua Mashiach/Jesus Christ is revealed*” (1 Pe. 1:7).

It seems that both the world and the Church are being shaken. But if you ask me, I would say the Lord is more concerned with us His Ekklesia/Church, that we would begin to prepare for all that is about to occur.

Scripture also tells us that judgment begins in the house (1 Pe.4:17). It obviously doesn't end there, but I think we can expect greater testing and the Lord cutting deeper into the thoughts and attitudes of our hearts. Yeshua also said, “*Be careful,*” Jesus warned them, “*Watch out for the yeast of the Pharisees and that of Herod*” (Mark 8:15).

In other words, watch out for the devil in religion and the world. For both are being shaken. Please also note that from judgment, restoration begins as our Father is merciful and His *mercy* triumphs over judgment (Jacob/James 2:13), a righteous paradox.

While this may not be pleasant when it is happening, the fruit produced from within us (through a submitted heart) cannot be replaced. We must *arise* to walk in greater love and greater authority during these days as His representatives on the Earth to *shine* forth His Glory!

So beloved, I think we must prepare ourselves for a season of testing to make these preparations. “*His bride has made herself ready. Fine linen, bright and clean, was given her to wear* (Rev. 19:7).

Please do not be discouraged by this. On the contrary, let's embrace it, allowing the cross to do its wonders, knowing that our Father disciplines those He loves, that His peace and joy would reign in our hearts more and more, and that we would all learn to move more effectively in the Spirit (Gal.5:16). How wonderful it is that we have a loving Father that not only prepares us for war but also sweetly tucks us into bed at night.

On the Road Again

So the journey begins. We will be on the road from January 3rd to the end of the month. We will be connecting with several leaders on the drive down and then speaking at *The Renewal Conference* in Plant City, Florida, just outside Tampa on January 8th. Please look out for our social media posts on this most sacred event.

We go from there to Ocala, Florida, to initiate *The R911 Project* and then onto the PRMI (Presbyterian Reform Ministry International) annual conference in Black Mountain, North Carolina. Then at the end of the month, we will

be participating in Gary Crawford's Apostolic approach to the Reformation coming in the Ekklesia/Church, speaking on *The Reconnection* and the fullness of John 17 love and unity.

We really covet your prayers for this month and all we are doing. And specifically for the remnant body to engage in *The R911 Project*.

Lots of love in Yeshua,
And for His Glory,

Grant & Hali
