

October Note from Grant&Hali 2022

Beloved,

As I write this note, we are right in the middle of engaging in the *10 Days of Awe* through the ministry of *10 Days of Prayer*, which I serve as one of its servant leaders. And I must say there is something different about it this year. It is as if the remnant body who has discovered this special time of prayer in God's calendar has connected to it more deeply and that it is now becoming a natural part of us. *10 Days of prayer* is experiencing dramatic growth. This is not just in the US but also in the Nations with as many as over 45 countries engaging.

While Jonathan Friz is working to oversee many of these outreaches, I have been working closely with our leadership team to oversee our virtual Zoom room with 24/10 prayer.

Our Rosh Hashanah meeting became a prophetic unction as we blew the shofar into three major prayer focuses:

1. True Repentance
2. Going Deeper
3. Rebuilding the Walls

In the prayer room, we have had a teaching hour every day. We have also hosted a John 17 ONM hour where we have had new Watchmen leaders who are learning The Reconnection message teach and lead an hour of prayer every day. Beloved, it has been wonderful, and if you may remember in our September note the Lord has given us direction to raise up new leaders to teach and preach on Romans 911.

For me personally, this has been a great blessing to see so many new leaders getting equipped to communicate this message, which I believe is the Lord's plan to begin to expand this message into the church. Give us some time, but we will post many of these teachings on the website under *10 Days* and *R911*.

I have also joined Kevin&Donna Jessip from The Return Organization, who led early morning prayer every day. It has been a beautiful time moving deeper into the things of repentance.

On The Romans 911 Front

In September, we launched *The R911 Project* teachings with New Breed of Business. It is a monthly teaching on the new wineskin and moving into the reforms of the Ekklesia/Church. You can view the teaching and discussion [here](#).

We also launched the third and final phase of our *R911 Project* media platform, *R911 Project TALKS*. It was filmed in a studio at IHOP EG, and our first interview was with Dr. Daniel Juster from Tikkun Global in Israel. We will edit the program to be available in the next couple of weeks, which will post at that time. In October, I will interview Lou Engle, and in November, Asher Intrater, which will be filmed in Israel. Then in December, I will interview Papa Don Finto. Please pray with us to gather the necessary funds to begin promoting the various interviews of Christian and Messianic leaders on The Reconnection message.

Yom Kippur at Messiah's House

On October 5th, we will celebrate Yom Kippur at Messiah's House with 10 Days of prayer and Karen Davis, who will be leading worship from Israel. Please click on the Messiah's House tab in the website to view the service, which is about the *Fear of the Lord* returning to His Church.

Worship & Watchmen Mission Israel 2022

Please keep our *Worship & Watchmen Mission* in prayer. There will be 27 of us going on the mission this year, and we have started our preparations to meet online to pray.

As you may recall, each year, we look to raise funds for the Jewish and Arab prayer houses we will be connecting with while in the land. 100 % of these funds are donated to these HOP. Would you pray and help us to reach out to others to sow into these prayer bodies? There is a great need here to bless and strengthen them, and a wonderful scripture from the apostle Paul that truly speaks to this purpose to help the believing Body in the land - Romans 15:27.

Please pray for *The R911 Project* and for new monthly Give Chai/Life partners to help with future funding. To sow into *The Reconnection* message, please click [here](#).

Thank you so much for your prayers and support; we couldn't do this without you. Please click [here](#) for our monthly [Prayer Links](#).

Lots of love in Yeshua,
and for His Glory,

Grant & Hali
