

## ***September Note from Grant&Hali 2022***

Beloved,

As we approach the 10 Days of Awe and the Feasts of the Lord this month, we are moving into a new season coming out of the Shmitah year (year of rest). In a way, it is a new beginning, a new period, a new cycle, and I am sensing from the Lord that He is about to release an increase.

I attended and spoke in July at the Billion Soul Harvest conference in Colorado Springs with my good friend Robert Wolff. It was attended by numerous ministries from around the Globe, sharing and praying through their ministry foci; what a blessing! While there, one morning, on a prayer walk, I received a very encouraging word from the Lord. It had to do with Luke 5, the overwhelming fish catch, and the partners needed to bring them into the boats. As He related it to the Body receiving and embracing *The Reconnection*, this word was a message to prepare for this new season. To hear more about it, please click on TONM+ box in the Active Expressions (AE) of the website where I shared and prayed about this in more detail on our Thursday, September 1st meeting.

### **Romans 911 Project Study with New Breed of Business**

One of our main focuses now is to reach out to the body in the Ekklesia/Church to engage in *The R911 Project* video and study guide teachings. If you like, it's somewhat like the "Alpha" Course, which is a comprehensive study on discipleship in Messiah/Christ, while R911 is a comprehensive study in John 17 love and unity in *TONM*. To remind everyone, when you purchase the *R911 Study Guide*, you receive the video teachings for free, which can be accessed on the Recon website.

With this in mind, we are teaming up with Gregg Healey from New Breed of Business in a cooperative effort holding a monthly virtual study with our two ministry foci. This will be an ongoing meeting for the near future on the 2nd Wednesday of each month from 9-11 am ET. Gregg is carrying a vital piece of this new wineskin reform bringing the Ekklesia/Church out of Babylon and breaking off negative influences from mammon. Please look out for the flyer invite and listen to my message last month in the GFP room promoting the new meeting.

### **Romans 911 Media Platform**

In September, we will finish building out *The R911 Project* media platform with the introduction of "Romans 911 Project TALKS". This will be a monthly interview presentation inviting different Messianic and Gentile Church leaders into in-depth conversations on *The Reconnection* and *Alignment* message. Please pray for us for this launching and favor with different leaders wanting to engage in these discussions.

## Feasts at Messiahs House and 10 Days of Prayer

The 10 Days of prayer ministry headed up by Jonathan Friz is truly growing and expanding throughout the nations. To learn more about 10 Days and engage in a 10 days of prayer expression, please click on - [10day.net](http://10day.net)

You can also join us online for the same 10-day period (9/25-10/5) for 24/10 prayer. Here we will also have a teaching hour each day and a special prayer focus for John 17 love and unity in TONM that Hali and I will oversee.

Join us for our Messiah's House celebration of Rosh Hashanah as we begin to pray in the new year. And then celebrate the holiness of our Lord God on Yom Kippur. Please look out for the flyer on these events.

## Worship & Watchmen Mission Israel 2022

Please keep our Worship & Watchmen Mission in prayer. There will be 30 of us going on the mission this year, and we have started our preparations to meet online to pray.

As you may recall, each year, we look to raise funds for the Jewish and Arab prayer houses we will be connecting with while in the land. 100 % of these funds are donated to these HOP. Would you pray and help us to reach out to others to sow into these prayer bodies? There is a great need here to bless and strengthen them, and a wonderful scripture from the apostle Paul that truly speaks to this purpose to help the believing Body in the land - Romans 15:27.

Finally, I apologize for the delay in getting you my Father's Day personal testimony. Still, this message was genuinely anointed of the Father to connect with Him personally, to reach the lost and touch hurting souls. Please feel free to share it and pass it on.

Please pray for *The R911 Project* and for new monthly Give Chai/Life partners to help with future funding. To sow into *The Reconnection* message, please click [here](#).

Thank you so much for your prayers and support; we couldn't do this without you. Please click [here](#) for our monthly [Prayer Links](#).

Lots of love in Yeshua,

and for His Glory,

*Grant & Hali*
