

November Note from Grant&Hali 2022

Beloved,

As you read this note, we are in the midst of our annual Worship & Watchmen Mission Israel. Interestingly enough, it is right in the middle of the Israeli elections, the timing couldn't be more precise. We are in the land with 27 watchmen, intercessors, and leaders to help strengthen and bless the prayer movement in Israel (both Jewish and Arab believers). There is a huge need to lift their arms and minister love and strength to them in the Holy Spirit. Please pray for us as a group; we will complete the tour on November 6th. As we will begin to discover through *The Reconnection* message, the body in the land is on the front lines of the Ekklesia/Church, and there is a great need to join their efforts through worship and prayer.

We just completed the Feasts of the Lord and the Ten Days of Awe, and as usual, this special time in God's calendar always exceeds our expectations.

I wrote last month as we were in the midst of Holidays, how the spiritual DNA of this part of God's calendar is being implanted into the Watchmen of the Lord, a remnant in the body seeking the Lord more closely. Please refer to October's note on the website (under Reconnecting Ministry information) for more details on this. And we have also attached links to the 10 Days teaching hour and our Rosh Hashanah and Yom Kippur Messiah's House services around the 10 Days of Awe. But before I close this segment, I want to briefly share our experience overseeing The Return ministry prayer hour in our 24/10 Virtual 10 days of Prayer on Zoom.

As you may know, The [Return.org](https://return.org) is growing into a global ministry focused on repentance and prayer. I say it in that order as, during the 10 Days of Awe, the Lord did something special in how The Holy Spirit led us into repentance. It was as if He was unveiling and unpacking a deeper place of repentance to us, not just for those present but also to pray and intercede for the Ekklesia/Church.

I believe this is part of the spiritual DNA associated with *The Return Israel* movement that, please God, we will begin to recognize and agree with at this time. From confession for the Protestant part of the Church being guilty of building its individual kingdoms, to reconciliation in TONM with all races and tongues. There is a great need for forgiveness to flow through the denominations. The Lord whispered to me in the middle of the night, "70 x 7," leading us into a need to focus on all types of forgiveness issues for His Body, individually and corporately as His Ekklesia/Church. It was just awesome! You can listen and watch a couple of these prayer sessions [here](#) on the website in Partner Expressions.

On The Romans 911 Front

During Tabernacles, I flew down to Venice, FL, to meet with Kevin and Donna Jessip. We shot and recorded three introductory videos for *The Return Israel for The Romans 911 Project*, which will air at the beginning of next year once editing is complete.

There is a real sense now for *The R911 Project* message to come forward. And as we move into this next year, we will shift to more of a promotional focus to lay it at the threshold of the Ekklesia/Church for both the Messianic and Gentile Church bodies to re-unite like never before. Especially now that our media platform is finished (R911 Project Webinar, Podcasts, and TALKS). Please continue to pray with us for God's anointing and expansion of these platforms and the funds to help promote them.

In October, we also aired our second session of the *R911 Project* with the *New Breed of Business*, coming out of Babylon with Gregg Healey. And it went really well. You can view the recording [here](#) in *Partner Expressions* under New Breed of Business.

Grant and Jonathan Friz also did a follow-up session in the GFP room on continuing to find the balance as the Church Reconnects more deeply in TONM and towards its Jewish roots and heritage. You can view the recording [here](#) in *Partner Expressions* under the GFP (Global Family Prayer).

Thank you so much for your prayers and support; we couldn't do this without you. Please click [here](#) for our monthly [Prayer Links](#).

Lots of love in Yeshua,
and for His Glory,

Grant & Hali
