

January Note from Grant&Hali 2023

Beloved,

If you missed our holiday *Year in Review* holiday card email, please click on the link to see all the great pictures throughout 2022, another fantastic year for Reconnecting Ministries.

We have also attached messages Grant gave over the past couple of months. One for *R911* at the *Outpouring Conference* with Abner Suarez in North Carolina and a short prayer message for Israel and the Church through *Digging the Wells* ministry in California.

Join us on January 5th for our monthly *R911 Project Webinar*, listen to our weekly Podcasts on *Charisma*, and look out for *R911 Project TALKS* first live interview with Dan Juster that launches in March.

Praying in the Shabbat

As we move into this new season in January and Church/Congregational life gets back to normal, we will no longer be holding the Praying in Shabbat meetings.

We felt strongly during the Covid period that these meetings served the body to bring us closer together in love and fellowship with God and one another. And with a new type of connection to Shabbat in the Spirit, we hope you will continue practicing on your own or with your family.

We will also continue this type of close fellowship and prayer together every Thursday in our TONM+ meeting (The One New Man Intersection) - at 6 pm ET in the Global Family Prayer room, and we hope you will join us there. Please click [here](#) for the Zoom link information.

We'd like to wish you a happy and healthy new year and so greatly appreciate your prayers and support. Please click [here](#) for our monthly **Prayer Links**.

Lots of love in Yeshua

and for His Glory,

Grant&Hali
