

## ***February Note from Grant&Hali 2023***

Beloved,

Our apologies for not listing the links to the *Outpouring Conference* and *The Digging the Wells* prayer last month. You can find them below and in our new *Message Library*, where all of our messages are housed. They can be easily shared on Social Media, email or texts with your family and friends.

### **PRMI**

Wow! What an incredible start to the year, expanding on *The Reconnection* message and The *R911* Project.

In the middle of the month, Hali and I traveled to North Carolina for the annual PRMI conference, which is now becoming a regular in our schedule. PRMI (Presbyterian Reform Ministry International) is a specialized ministry of the Presbyterian Church, moving fully in the gifts of the Holy Spirit and the New Wineskin. Their teachings on these gifts, known as the *Dunamis* Project, are some of the best in the whole Church, plus they are leading the way in teaching and moving into *Strategic Intercession*, which, as you know, is very close to our hearts. PRMI is a ministry partner, and you can find out more about them in our [Partner Expressions](#) section on our Website.

It is truly a new day between Israel's Remnant (Jewish believers) and the Church. And PRMI is blazing this trail in wanting to connect more fully with our Messianic family. We are in the process of editing our message here in promoting The *R911* Project to their leaders and will post it in March.

### **US - ISRAEL SUMMIT**

Literally, right after PRMI, I (Grant) traveled to Dallas, TX, to help organize the first US - Israel Summit, which was hosted by Gateway Church leadership. Oh, my word, what a blessing! Here is a copy of a text we shared on the event with our prayer team:

*The US-Israel Summit went very well. It was a great blessing to be in the room with so many wonderful servant leaders. And there was a beautiful sense of love and unity, with many apostolic Messianic and Church leaders embracing one another and spending time connecting and communicating. The Gateway team was a fantastic blessing, helping to manage the event plus covering all of the costs for the room and food, which was notably good. Thank you, Lord, for our Gateway Church family helping the body to Reconnect and Align with Your Heart and plans to reunite Your family as ONE.*

*To summarize, this was a great first start; hopefully, the foundation for several more of these meetings needed to help build love and unity in the family, but also to begin to seek and lay out God's plan to restore the remnant of Israel to the Church corporately in TONM. We reviewed the history of the Messianic Movement, the pros, cons, strengths, and weaknesses, and we started drilling down on how to break through into this next season. The Gateway moderator, Allan Kelsey, did an amazing job coordinating the flow of the meetings. But the way the Summit ended was the most notable and one that all of us, as His Watchmen, will be involved in as we move forward.*

*Towards the end of the meeting, a number of the prayer leaders, including Lou Engle and Daniel Lim from IHOP began to speak up about May 28th, which is a special prayer day that prayer movements are beginning to coordinate with intercessors from all around the globe, to pray for the salvation of Israel. And the whole room came into agreement, unanimously, to fast and pray and commit to this event. Now that is a Wow!*

*In my mind, this was the Holy Spirit putting His stamp on the approval of this meeting and the initial direction for us to pray and fast for the next move. Beloved, what could be better? Please keep this in prayer, and over the next few weeks, you will begin to hear more about this event and this praying and fasting period.*

## **NEW DIRECTION AND TONM +**

As we move into 2023, now that the three platforms for The R911 Media Platform are completed, the main direction for our ministry focus is changing from a production focus to a promotion focus to expand the reach of the message and lay it at the threshold of the Ekklesia/Church. Both for our Messianic family and God's children from the nations to come together in much greater love and unity, which will aid the Father to loose the greater Glory upon us.\*

For this reason, you will find us on fewer prayer calls, especially in the GFP (Global Family Prayer room). Forgive us for this, but more time is needed to expand our efforts in this area. But you will always be able to find us on TONM + calls in the GFP on Thursday nights unless we are traveling. We are very committed to continuing to build TOMM +, which is now our main prayer focus moving forward.

In this light, we have made some changes to TONM +, which we lead with Bob Wolff from Majestic Glory Ministries. You can also find Bob and me on PSN (Prayer Surge Now), once a month, on the third Saturday, promoting and praying into *The Reconnection*, *R911*, and *Kingdom Calling* focuses in TONM.

With the future growth and focus of TONM, we want to expand our reach to more intercessors, as well as to further promote ministry focuses associated with it, like *R911*, *Kingdom Calling*, as well as introducing *The Return Israel* ministry, led by Kevin&Donna Jessip, who will lead us on the 2nd Thursday of every month.

*\*(My thoughts here - During this era, we need to understand that division in the Ekklesia/Church must be fully addressed to pave the way for the last great awakening. I hate to say this, but presently, the world is doing a much better job uniting itself, and we must significantly improve in this area, hence the need for teaching projects like R911 that give us greater insights into this and to know how to pray more effectively for this to change.)*

The other Thursdays will continue to be led by some wonderful regional prayer leaders, such as Audrey McIntyre, and Paul Tranchell, as well as introducing Mavourene Robinson. We will also invite several guest hosts to lead us into prayer throughout the year, again with a ONM focus.

We will also celebrate some of the Feasts of the Lord with Messiah's House in our ONM hour, which you can find on the schedule posted in TONM + in [ACTIVE EXPRESSIONS](#).

Our primary focus here is for us to come together in greater love and unity to support these different ministry foci for TONM together as much as possible, but also to expand our reach to more Watchmen to support the TONM+ effort. Grant will also continue to teach in the GFP room once quarterly to help promote these prayer initiatives and please God to help build our following. Please agree with us in prayer for this and join us to help promote it. Those committed to praying with us in TONM + are truly experiencing transformation in TONM and getting better prepared for what is ahead of us for His Ekkleisa/Church.

Grant&Hali will also continue their leadership and involvement with 10 Days of prayer, including the celebration of the Feasts in Messiah's House with Karen Davis from Israel.
