

## ***March Note from Grant&Hali 2023***

Beloved,

Grant taught in the *R911* Study Guide teachings in 2020, more prayer and repentance has been going up to heaven since Covid and the Return event in Washington DC than ever before. The bowls have been filling up. As usual, we never really know how our most wonderful, masterful Lord and God is going to respond, but when HE does, I hope we will quickly align with it and support it in prayer.

### **ASBURY**

How wonderful that Abba is moving upon the next generation, which is so greatly needed. Let us pray for the continued spreading of this move of the Holy Spirit with HIS presence; yes, please, more, Lord! But what I've noticed about it is that it is all rather quite simple, taking us back to the basics of our faith, humility, purity, intimacy, and rest; while healing and deliverance are also present, they are not the main focal points. All of which is outlined in the *R911* Study Guide. I think we need to thank our Asbury family for seeking the Lord and wanting to shepherd this awakening in this manner. *"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light* (Matt. 11:

### **528 - PRAYING FOR ISRAEL'S SALVATION**

This could well be the beginning of something special in the Ekklesia/Church and something for us to build upon as we begin to move toward this great awakening. Having said that, at the same time, there are some amazing things going on in the prayer and missions' movement. And as mentioned in our February note, there is a *convergence* in the Body to gather millions upon millions of believers to *pray* for the *Salvation* of *Israel* on May 28th on the *Southern Steps* of the Temple Mount in Jerusalem, which will be simulcasted all over the Globe.

Would you pray specifically for this event that there would be earnest reconciliation between Jewish and Gentile believers, between Jews and Arabs, and between all races? And that this could also initiate something new in the Church with Gentile leadership truly re-embracing the corporate part of our Messianic family. Let us remember that in *TONM* is a coming together of love and unity individually but also in its leadership, which is a greater challenge for the Gentile Church to re-embrace. However, if this reconciliation is going to hit the bullseye, this needs to happen, and we know the enemy will fight against it. So please *pray* with us on these points. Can we also ask the Lord to raise up new younger believers who will be swept into this movement with us through this new awakening?

### **CELEBRATE THE PASSOVER**

We are doing something different with Passover this year and joining with Bob Wolff and Barb and Terry Franklin, who will lead us in worship, joining our *TONM+* hour with their hour of worship in the Global Family of prayer (24/7 virtual prayer since Jan 1, 2021).

The idea is to make it both evangelistic and equipping simultaneously. And to invite our Jewish friends to hear the good news message of Yeshua, presented through the Passover story, but also to present the Gospel in a Jewish way. This will teach us how to improve our witness to our Jewish friends and neighbors. Please also be prayerful about who you may invite to join you, and help us get the word out on social media. (You can find the flyer on the Website, which can easily be shared on social media.)

### THE R911 PROJECT MEDIA PLATFORM

Please join us on April 13th (2nd Thursday in April because of Passover) for our monthly R911 Project Webinar, listen to our weekly Podcasts on Charisma, and look out for *Romans 911 Project TALKS* first live interview with Dan Juster, that launches in the Spring. All of which can easily be found on the Website. In addition, most recently, Grant introduced *The R911 Project* to the "Operation Exodus" ministry, where it was extremely well received. And we would highly recommend you sharing this video with others to help promote the Project, click [here](#).

### THREE MAIN EMAILS A MONTH

We are painfully aware of the bombardment we are all under when it comes to emails. For this reason, we have once again redesigned our email system down to just one email a week, which will start this month. In the 2nd week, we will send out our regular monthly information email. In the 4th week, we will send out a new promotional email for the R911 Media Platform listing all of our recordings, Podcasts, and Charisma articles so that they can be read, watched, and shared. In one of the other weeks, we will also send out another new email on R911 TIDBITS, which have been the favorites of many of you from our social media. This email, which will start in May, will list our *three* different types of Tidbits on books, Graphic Tidbits with statements to share, and finally, R911 Video Tidbits, which are 30-120 second video segments helping to promote the R911 message.

For this reason, we will no longer send individual emails about upcoming events, as they will all be listed in these three major emails. The one exception to this will be the monthly study notice for the R911 Webinar, narrowing it down to just one major email a week.

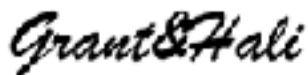

### FINALLY

Would you join us in sharing the R911 message with your Churches and friends? We are rebuilding the Website to become a *Resource Center*, where all of the *Recon* and *Alignment* messages can be easily shared and promoted. Check out our new *Message Library* and our *Recommended Readings* with this in mind, and the new R911 section on the home page.

Thank you so much for your prayers and support; we couldn't do this without you. Please click [here](#) for our monthly *Prayer Links*.

Lots of love in Yeshua

and for His Glory,

Reconnecting Ministries.
