

April Note from Grant&Hali 2023

Beloved,

March came in like a Lion for sure. While on our TONM+ call with Kevin&Donna Jessip on March 8th, I got an urgent call from my daughter Madison crying for her mother (my x-wife Donna), who had been in a fatal car accident. Hali and I darted off the call and immediately drove up to the hospital in Greenwich, Connecticut, from central Jersey, where we live. Donna was in a coma with severe brain damage after being revived twice by the emergency crew. We stayed up all that night praying, and Josh&Sammy and Jons flew in from California (my other children). This was all very Surreal, and over the next three days, so many friends and family of Donna and my children visited the hospital to offer love and support. On Sunday, the doctors declared Donna brain dead; we all said our goodbyes, and then she passed.

Donna finished strong, never giving up on her faith in Yeshua/Jesus as Lord and savior. And over those three days, I heard numerous testimonies of her sharing the Gospel and helping to strengthen those around her already following the King.

A few days later, we held a memorial service for Donna at Harvest Time Church, where we used to have our Messiah's House services. My children's words and speeches were beyond anything one could expect after experiencing such a tragedy, and Jonathan performed one of his latest songs in tribute to his Mum. Being a Messianic memorial service, we sang the Shema and ended with the Aaronic Benediction sung by Libna Diaz, one of our former worship leaders. And between Pastor Glenn Harvison and myself, the Gospel went out as clear as the light of day to hundreds of Jewish people who may have never heard the good news presented in that manner. That morning, the Lord impressed my heart, "This was Donna's Ministry," these blessed people, our friends and neighbors we grew up with around our children's lives; this is who she loved and tried to reach. And despite the horrific way she passed, in a most tragic death, her desire to proclaim the good news of Yeshua/Jesus was fully reached.

The following night, the Lord impressed my heart with a new directive coming from Ezekiel 37:9-11, which is the scripture that speaks of the winds and the breath of God being called on to be released into these slain so that they may live.

Beloved, we are in a new day, speedily approaching Israel's salvation, and I have to be totally honest with you, when you think of this as a prayer directive from God for the salvation of Jewish people, it is a bit of a DA! But sometimes what may seem so obvious has to be made real to our spirits so we know how to pray more effectively for the Jewish people and win them to faith. I shared this message in our monthly R911 Project WATCH and would encourage you to view it [here](#).

SOUTHERN STEPS OUTREACH IN JERUSALEM

While all of this was going on, things have truly been developing corporately with a prayer and fasting focus for the Salvation of Israel with a greater outflow of the Gospel to the nations during the month of May. And as I mentioned last month, I have been involved in helping to organize this event on the Southern Steps of Jerusalem to unite leaders in Israel to the Prayer and Missions movement in the nations. We will be leaving for Israel on May 21st to attend this event.

Beloved, I want to put out a call on this to all of the Watchmen on the Wall that already have a greater understanding of this message where the Holy Spirit is leading us in this Reconnection and Alignment, much of which is laid out in the R911 Project books and video teachings. This could very well be a Cairos moment for the Ekklesia/Church as literally millions and millions of Christians come together globally on this day to pray for Israel's spiritual awakening and the end-time harvest.

On a smaller scale, Hali and I have experienced similar types of gatherings before. The Holy Spirit truly anoints, but then the enemy is right there to steal it away because many of the negative influences dividing TONM are still at play. And this time, as His warriors, we must do our best to learn to outsmart the devil. And to exert the God-given authority He has given us in prayer to overcome and support to help pave the way for what is about to occur. And while we are in the midst of organizing all of this, Israel is in an uproar with the issues surrounding their judicial system, a coincidence, I think not. So let's, please be on guard as these events continue to develop.

I will address this in more detail and update you in our next R911 Project WATCH at the end of April. Please join us then (6 pm ET, April 27th in TONM+, which you can find on the website). In the meantime, please click [here](#) for our monthly prayer links to help focus us in this regard.

At the same time, we also need prayer to properly convey the R911 message as vital to the awakening and growth of millions of new watchmen coming into the *Israel Piece* and the great need for them to go through the Study Guide course to equip and empower them into this new season. Please pray on this.

PASSOVER

As you read our monthly note, we would have already experienced our Passover celebration, which we hope you will find informative on understanding the parallels of the Passover to the Gospel and finding new ways to explain the good news to Jewish people. Here is the [link](#) to the event.

R911 MEDIA PLATFORM

We are still working on putting the finishing touches on the media platform for R911. With this in mind, we have held back the launch of R911 Project TALKS, which are interviews with Messianic and Church leaders moving into The Reconnection message. However, a few of them are already in the can as we want to give them as much impetus as possible when they

launch. And we have hired an advertising group to help us with these new plans. Please continue to pray for us on the next steps for this most vital and strategic program.

FINALLY

Would you join us in sharing the *R911* message with your Churches and friends? We are rebuilding the Website to become a *Resource Center* where all of the *Recon* and *Alignment* messages can be easily shared and promoted. Check out our new *Message Library* and our *Recommended Readings* with this in mind, and the new *R911* section on the home page with our new Tidbits promotional program

Thank you so much for your prayers and support; as usual we couldn't do this without you.

A blessed Passover week and Resurrection Sunday to you all.

Lots of love in Yeshua

and for His Glory,

Grant & Hali
