

May Note from Grant&Hali 2023

Beloved,

As we move into this season of prayer and fasting declared through the Global Ekklesia. We are so excited about what is to take place through this Isaiah 62 Fast, all culminating on the day of Pentecost on the Southern Steps of Israel, praying for the salvation of Israel and the great harvest to the nations over these next ten years. I feel in my spirit a sense to sound the alarm like the word of God and the R911 Project as double edge swords, which I will explain below.

But there is much more than meets the eye here in just praying for Israel. Could this be the beginning of the partnership that we know Abba is calling His family into between the remnant of Israel and the church in the nations that is being heralded through the prayer and missions' movement?

When you think about this, it makes so much sense with *prayer* and *missions* leading the way for the church to enter into and embrace this Reconnection and Alignment in God's family. But could this also be the beginning of a more extraordinary partnership between the prayer movement in the nations coming together with the body in the land to first-fruit worship, prayer, and intercession in Israel as we have outlined in the R911 teaching materials?

With all of this going on and the temperature rising politically with conflicts in Israel, there is a huge need now for us to sober the excitement of what is ahead and to pray effectively that the enemy would be exposed and bound, that the authority of the Ekklesia will go up to the heavens in agreement with God's plans to reconcile His family, to initiate greater partnership between the two, and to release this great movement of prayer missions of the gospel into the nations.

I (Grant) have also found myself right in the midst of organizing the Southern Steps event, helping to connect the Prayer movement leaders to the leadership in Israel (Jewish and Arab believers).

This is not specifically a R911 focus. (But please God, the need for greater healing, knowledge, and revelation will become the next steps for many intercessors entering this new focus). But instead, for me to act as an intermediary to help bridge and connect the family of God in TONM. Please pray for me to remain humble and to help foster the love in the *Father's Heart* to reunite His family with Himself. We believe it is this love, ultimately, that will help to break down many of the human strongholds that keep the body divided and separate. Please pray for Grant&Hali, they leave for Jerusalem on May 21st to attend all of the events being planned.

SOUTHERN STEPS PRAYER GATHERING - MAKING HISTORY

This is a two hour prayer broadcast from the Southern Steps in Jerusalem from 10am-12pm Israel time on May 28, 2023.

With Jerusalem as the location for the birth of the church and the place where Yeshua/Jesus will come back to rule and reign from the throne of David, and the recognition of the Jewish root which the nations are grafted into through the blood of Yeshua/Jesus a growing number of organizations are recognizing the need to raise up intercession not only for the nations, but also for Israel and the Jewish people.

This is bringing together leaders from missions and prayer movements including:

The Go Movement
International Prayer Connect
Empowered21
Billion Soul Harvest
Pray for Zero/Illuminations
Global 2023
Tikkun
Firm Ministries
King of Kings Ministries
The Romans 911 Project
...and many more

The prayer event will be streamed globally by TBN Israel and possibly picked up by GodTV as well. More information will be made available as the logistics are finalized.

R911 MEDIA PLATFORM

To watch Grant's latest interview with Myles Weiss from House of Peace, please click [here](#). We are still working on putting the finishing touches on the media platform for R911. With this in mind, we have held back the launch of R911 Project TALKS, which are interviews with Messianic and Church leaders moving into *The Reconnection* message. However, a few of them are already in the can as we want to give them as much impetus as possible when they launch in the Fall. We have hired an advertising group to help us with these new plans, who we are now in the process of training. Please continue to pray for us on the next steps for this most vital and strategic program.

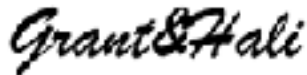

FINALLY

Would you please join us in sharing the *R911* message with your Churches and friends? We are rebuilding the Website to become a *Resource Center* where all of the *Recon* and *Alignment* messages can be easily shared and promoted. Check out our new *Message Library* and our *Recommended Readings*. With this in mind, we have launched the R911 Project TIDBITS email. There are three types of captions, videos, graphics, and call-outs from the books that can easily be shared on email or social media at the click of a button.

Thank you so much for your prayers and support; as usual we couldn't do this without you. Please click [here](#) for our monthly *Prayer Links*.

Lots of love in Yeshua

and for His Glory,

Reconnecting Ministries.
