AWAKENING THE VOICE OF TRUTH

Addressing today's destructive false narratives with the Word of God.

We have a serious problem.

False narratives and toxic divisions have infused this generation and have all but spiritually destroyed the next two generations.

As a whole, the church has been asleep and does not address these false narratives.

The Desperate Need.

We need to Awaken the Voice of Truth which is the Word of God in the ears of pastors to destroy these false narratives and eliminate the divisions. Pastors must understand their role and the role of the church to equip the saints for this current spiritual battle.

- Racism
- BLM/CRT
- Transgender Confusion
- Anti-Semitism
- LGBTQ
- Abortion
- Same Sex Marriage

These and other false narratives coming from our culture are destroying our society Spiritually, emotionally, mentally, and physically.

The Strategy.

We conduct high end luncheons, seminars, podcasts, and deliver Sunday sermons (donor sponsored) with a team of experts theologically trained and experienced in research, teaching, preaching, and demonstrating how to apply the Word Of God to expose and eliminate false narratives and toxic divisions.

We also provide the solution that replaces the fear and divisions with genuine authentic RELATIONSHIPS wherever there are divisions, there are needs for reconciled relationships.

The solution to these toxic divisions is embracing the biblical mandate of reconciliation: *The two greatest commandments!*
