

## ***October Note from Grant&Hali 2023***

Beloved,

Boy! Where do we start!

First, Happy New Year to everyone. To begin, I'd like to focus on Psalms 24, and as we started to engage during the 10 Days of Prayer, I got a more profound sense of this Psalm, dividing it into two parts for this particular season. The first focus was on having *clean hands* and a *pure heart*, with the second on the *doors* and the *gates* opening wider, giving us greater access to the glory.

Looking back over this past year, I could see a focus on us, His Body, being challenged and pressed, with the Lord taking cutting deeper, helping us prepare for what is coming. Then for this coming year, encouragement from the Lord to engage and get on track with God's plans to restore His family in greater love and unity, which is connected to the increase of His glory (the presence of God), being released in us in a greater way to begin to *arise* as a *great light* in the darkness.

### **10 Days of Prayer**

For these past 10 Days, we had the honor and privilege to serve the Lord in the St. Augustine / Jacksonville area and help lead the *10 Days of Prayer* virtually with hundreds of Watchmen from around the Globe. *10 Days of Prayer* is truly becoming a global movement. And what a blessing to see it grow and take deeper root in the Ekklesia/Church.

### **St. Augustine / Jacksonville**

Many may not know this, but St. Augustine is the oldest city in North America, dating back to the early 1500s. It is called the "First Coast" and carries spiritual significance to this coming awakening and end-time revival. Having said this, it is important to note that a new movement of *love* and *unity* has begun in some of the Churches, connecting into *TONM* with Ben Juster from Tikkun America and Pastor Bob Neal from St. John's Discipleship Church heralding a One New Family movement. This association was the flow of ministry that we entered into and connected with these past 10 Days of Prayer, with Ben and Bob leading the way in great love and humility. The type you would expect from the new wineskin, as we describe in *R911*, as the *Ministry of the Towel* (see John 13:1-17).

We connected with different churches in the area each night and on several mornings, engaging in *10 Days of Prayer* through worship, confession, and repentance. To see the Church, begin to go deeper into these appointed times of the Lord is such a great blessing. One of our assignments with 10 Days is to help the Body discover the associations that exist in the New Covenant in the Holy Spirit through the Feasts of the Lord and the assigned times. The Ten Days of Awe, between Rosh Hashanah and Yom Kippur, is a God-ordained time to go deeper into prayer and repentance, bringing us closer to the Lord. And now, through the New Covenant, we can discover this divine period designed especially for this purpose.

*In particular, this year, the Lord took us into the connection between the Communion and the Holy of Holies. Grant led many groups into Communion, which was connected to Yom Kippur's holiness. You can view one of these prayer moments [here](#).*

Beloved, something special is brewing on the first coast that we will continue to connect with. We will return here in late January and early February to engage some of these groups in The R911 Project teachings.

In addition, Grant also brought messages at St. John's Discipleship Church and in the 10 Days Virtual on gaining a better understanding of the function and purpose of the law related to the Gospel and what Israel faced for the rest of humanity, which were very well received. You can view these teachings [here](#) at St. John's and [here](#) in the 10 Days Virtual Zoom.

### **10 Days Virtual**

As Grant is always teaching in the new wineskin, we need always be open to recognizing the unique pieces of the puzzle in this Restoration and Reformation of the Ekklesia/Church that the Lord is moving on. And joining them together in a mosaic of His plans to prepare His Bride for these end of days and the Lord's return. As usual, this 10 Days of Prayer did not disappoint with an incredible focus on children in prayer and many ministries connected to raising up the children in a whole new way.

The most common phrase coming through these 10 Days is that there is no *junior Holy Spirit*. We in the West need to change our view and perspective on how we engage children in ministry.

With that being said, over 100 hours of the 240 hours of prayer during the 10 Days we're led by children with nearly all of us older believers, parents and grandparents cheering them on and coming into a deeper place of repentance in the way in which we connect and operate with our children in ministry. This children's focus was led by Tom Victor, Ann Low, Anja Letsatsi from *2BC Ministries*, and Melody Divine from our 10 Days GFP team. A special shout out to them and the ministry team that brought all of this together.

## One New Man Art

In addition, we continue to manage and oversee a *John 17 ONM hour* as part of the *10 Days of Prayer*, mobilizing and equipping Watchmen of the Lord to become leaders and communicators of this Message.

During this 10 Days of Prayer, the Holy Spirit led us into a unique prayer time focusing on Antoinette Anderson's One New Man Art. Each day, a different ONM Watchmen leader led us into the special prayer foci of the Holy Spirit through Antoinette's amazing paintings, illustrating the One New Family message from beginning to end.

These prayer times were truly wonderful and anointed of God. Presenting this message in art form more readily breaks down many of the barriers surrounding it, and Holy Spirit led us all into greater revelation and understanding. You can view these prayer times in our [Message Library](#) under 10 Days of Prayer 2023.

Then, in one of the teaching hours in *10 Days Virtual*, we presented the full story of the *Good Gardener* in video form. This video will not be available yet, but we will keep you posted about the progress here and its future production.

## Foundational Teaching for *The Reconnection Message*

During the teaching hour for 10 Days of Prayer Virtual Grant introduced a new focus for the message beginning to teach new believers about *TONM* as a foundation to their faith. It is a really good clear message for beginners linking John 17 to Ephesians 2, and Romans 11. Please click [here](#) to watch the teaching.

As a finale, many of us celebrated Yom Kippur/Day of Atonement with *Messiah's House\** in *10 Days Virtual* to conclude the 10 Days of Awe. Karen Davis led worship from Israel, and Grant led us into Communion connected to the Holy of Holies, bringing a message of greater connection and understanding between the two. You can view the Yom Kippur celebration [here](#).

## The Romans 911 Project

Grant and Hali have been working over the summer to produce an **ABBREVIATED** version (8 sessions) of the R911 Project video teaching series, which is now available on the Website with the purchase of the R911 Study Guide.- <https://r911.org>

As already mentioned, we are also training up our new advertising and media company before we start planning the media launch for early next year to bring the *R911 Project* to the threshold of the Church. Please pray for us this Fall as we initiate these plans and the budget needed to help bring them forth, which we will lay out in our Winter Note after Thanksgiving.

## R911 TALKS

Please also look out for the launch of R911 Project TALKS. Please click [here](#) to view both 30-minute videos with Dr. Daniel Juster.
