

## ***February Note from Grant&Hali 2024***

Beloved,

A happy and healthy New Year to everyone. We are very excited about the prospects for this coming year. We are on the cusp of launching our media campaign, focusing more on publicity, media, advertising, and promotion.

### **Promoting The Romans 911 Project**

Please God, this will be a significant year of expansion for The *R911* Project. We have spent most of 2023 preparing our media and marketing team (HigherLife Publishing and Marketing company) and finishing up the **media platform** through *R911* Project WATCH, PODCASTS, and TALKS. We will create a media page updated monthly with radio and TV interviews and various promotional messages for The *R911* Project. Please keep this media campaign in your prayers.

We have also just created a **new landing page** for The *R911* Project Study Guide and video teaching series under the URL of [Romans911.org](https://Romans911.org). The new webpage succinctly promotes the FREE ABBREVIATED (8 Sessions) video teaching series for the *R911* Project course, providing a password to watch the videos. You can also access the main website from the landing page. Please note [Romans911.org](https://Romans911.org) will no longer take you to the main website listed under [Reconnectingministries.org](https://Reconnectingministries.org). We encourage you to check it out and share it with others.

### **On The Road Again**

On Jan 15, we left NJ for a 6-week road trip traveling through VA, North and South Carolina, Florida, and Tennessee. We will have lots to report with our March note and links to several messages.

### **Introductory Messages for The R911 Project**

Before we left, Grant spoke a significant *introductory message* to this coming restoration at IHOP EG in Cranford, NJ. Grant also joined Bob Wolf on Prayer Surge Now with Dai Sup Han, clearly laying out and praying for the need for The *R911* Project. Please **watch** and **listen** to these messages when you get a chance.

## Worship & Watchmen Mission Israel and Poland 2024

We have attached the W&W Mission flyer listing the costs.

In light of the war in Israel, we are not yet in a position to make any final decisions about moving forward with the Mission to Israel. However, we are considering moving ahead with the Poland Mission with or without going to Israel if the war continues into the second half of the year. We will revisit this at the end of May and make a final decision.

If you are interested in joining us on either of these missions or both, we have attached a questionnaire that we would like you to fill out and email back to us.

**(Instructions:** *Please cut and paste the questionnaire text into a reply email to us ASAP with your checks and crosses to help us with our decision process).*

## Romans 9:11 TALKS

Finally, our interview this month is with Tod McDowell, director of Caleb Global, spiritual son of Papa Don Finto, and an amazing leader in the Ekklesia/Church.

With everything going on in the world with antisemitism since the war begun in Israel our experience and connection to Tod and his own personal story of getting free from Generational Antisemitism written about in *R911* is extremely dramatic and very timely for the Church's understanding.

To me personally, it was a confirmation from the Lord, as I was writing *The Ezekiel Generation*, my first book on The Reconnection message that if leaders like Tod who have given their lives to serve the Church with the Israel Piece needed deliverance from ancestral ties that have been passed down through the generations, then we all do.

Nothing has traveled through the centuries more than antisemitism, even more than racism. But these influences and their effects on each of us personally are far more subtle than we have understood and there is a great need now for all of us in the body of Messiah/Christ to get completely free in this area to be able to love Israel and the Jewish people the way Yeshua/Jesus does.

Please click [here](#) to watch the Tod McDowell interviews.

After watching this, and processing, please share this message with many others around us who are also in great need of this message.

As always, thank you for your prayers and support; we couldn't do this without you. Please click [here](#) for our monthly Prayer Links.

Lots of love in Yeshua,

And for His Glory!

*Grant & Hali*
