

## ***April Note from Grant&Hali 2024***

Beloved,

Season's greetings for the Resurrection and the Passover. He is Risen!

We are pleased to let you know the *R911* Media Platform is off to a wonderful start. As we move into April and Springtime, I have already done over thirty radio and TV interviews, with many hosts inviting me back wanting to promote The *R911* Project. Here is a [link](#) to an interview that I did with Lee Cantor on the Good View Network the NRB (National Radio Broadcast Convention).

The idea is to sufficiently promote The *R911* Project until it gets a life of its own through the Messianic Body and the Church in the nations. Similar, to how the Alpha course spreads now mainly through testimony and word of mouth.

We are continuing to work with HigherLife, our media and marketing partner, to build the foundation for the media program and produce various ad programs on Christian media that will launch in the fall. Plus, we are looking to air *R911* Project TALKS on Christian TV. Here's March's interview with [Dr. Michael Brown](#) and April's interview with [Arni Klein](#) from Israel.

Please click [here](#) to view our new radio video media page, where you can listen to and watch these interviews. Many of these are also with secular stations discussing antisemitism issues, connecting them to The *R911* Project and Reconnecting Ministries.

Please continue to pray for the media platform, creative ways to promote the message and greater financial support from the Body and the Ekklesia/Church.

### **Israel & PSN (Prayer Surge Now)**

With the war going on in Israel, it is always on our hearts to pray. Recently, Bob, Hali, and I focused on how to pray for the situation in Israel on PSN with Dai Sup Han. Here is the [link](#) to the meeting, and we would encourage you to listen when you get a chance.

### **Romans 911 Project WATCH**

As many of you know, we host a weekly [prayer call](#) every Thursday for TONM with Bob Wolff, and we encourage you to join us. On the last Thursday of each month, I lead The *R911* Project WATCH, highlighting significant issues around *Romans 911* and Reconnecting Ministries that really need prayer. (These meeting are interpreted into Spanish).

## April

In April, we will visit family in Europe and then join Arni Klein for a prayer conference in the UK. As you may or may not know, I was born and raised in England. Recently, the Lord has been renewing my burden for England and in the autumn, we will be revisiting there to help build the [10 Days of Prayer](#) ministry Hali and I are involved in.

May the spiritual wells of prayer and ministry be revived in the United Kingdom in such a way that a revival will sweep these shores again to awaken a lost and dying generation. Let's always remember, *"Everything starts with prayer!"*

## Worship & Watchmen Mission Israel and Poland 2024

Please continue to pray about our mission this year. We will decide in May whether to move forward or move to 2025. There is also a possibility that we may just do the Poland part of the mission. Please email Hali if you would be interested in this. – [hali@reconnectingministries.org](mailto:hali@reconnectingministries.org)

## Messiah's House Passover Celebration

Please join us for our Messiah's House Passover celebration at the end of April; click [here](#) for more information.

As always, thank you for your prayers and support; we couldn't do this without you. Please click [here](#) for our monthly Prayer Links.

Lots of love in Yeshua,  
Glory!

And for His
