

March Note from Grant&Hali 2024

Beloved,

By the time you read this, we will be back in New Jersey after being on the road for almost six weeks. What a wonderful experience. Our first stop was speaking at the PRMI (Presbyterian Reform Ministry international) conference to promote the *R911* Project in Black Mountain, North Carolina. What a blessing to be with this group of believers so pressing into the *Heart of the Father* and really moving in *TONM*.

Next, we traveled Eastwood in North Carolina to Moravian Falls to promote The *R911* Project, connecting with a good number of Intercessors at The Gathering, a sister fellowship to Morningstar, which was very well received.

Then, we traveled south to St Augustine, Florida, connecting with Jonathan Friz to help promote the *10 days of Prayer* ministry to a group of pastors, helping to expand 10 days of Prayer in that region.

On the following weekend, Grant spoke at *Zerah Avraham (Seed of Abraham)* Congregation on Saturday and *Christ the Messiah* Congregation on Sunday, led by Pastor Rabbi Ed Bez, a One New Man body, connecting them to Romans 9:11 who has committed several of their Shabbat meetings in March and April to view the latest abbreviated teaching series of The *R911* Project (8 sessions).

The following week, we introduced The *R911* Project to the *St Augustine House of Prayer*, led by Paul Blake, to several local leaders and then to their regular prayer group. Please click [here](#) to listen to these messages. The St Augustine HOP will engage in The *R911* Project Abbreviated teaching series in the spring.

We also managed to get some downtime and personal time with some of our children. Jonathan and Maddie came down to visit us.

From there, we traveled south to spend time with Hali's Dad and then went westward to connect with Kevin and Donna Jessip of *The Return Israel* and our good friend Keena Cowsert. Then, in the trip's final leg, we headed North to Nashville, Tennessee, for the *NRB* (National Radio Broadcast for Christian Media), which was a great success for The *R911* Project—truly beginning to expand our media program through numerous media and radio partners.

Finally, heading home, Hali and I visited the Ark Encounter in Kentucky, which was just a fantastic experience. We highly recommend it, and it is truly a significant blow to the false science of evolution.

The R911 Media Platform

As mentioned in our last monthly note, we have launched our media platform for The *R911* Project, which includes the hiring of publicists to help promote the message, and just in the last three weeks, Grant has engaged in eighteen plus radio and video interviews with radio stations and podcast hosts across the USA. This is just the beginning of an ongoing campaign to bring The *R911* Project to the threshold of the Church.

Please click [here](#) to view our new radio video media page, where you can listen to and watch these interviews. Many of these are also with secular stations discussing antisemitism issues and connecting them to The *R911* Project and reconnecting Ministries.

We are also in the process of developing our advertising program, producing an infomercial for The *R911* Project to be advertised on various Christian media outlets and promoting *R911* TALKS on Christian TV and throughout the internet, as well as expanding the reach of the *R911* Podcasts. If you are not already, please pray about becoming a monthly *Give Chai/Life* partner to help us cover these media expenses. We need to grow our partner support for this ongoing and significant media campaign.
